Dear Mr. Cooper:

So sorry to take so long in answering your letter. We do verify your reception of WTHU, 100 Watts, in Thurmont, Md. Was so nice to hear from you!

We did hit the air Monday June 12th at 6:19PM. Our sign on time week days and Saturday is 5A.M. till 12 P.M. Sundays 7 A.M. till 12 P. M. At the present they are checking our frequency while we are on the air.

Yes, your phone call was the furthest one we received and letter also. We have been getting very good reports on our station. The people in a 20 mile area have given up television and brought out their transistors. We are very proud of our little 100 watter!

Glad to hear from you, the best of luck to you and your club.

Very truly yours,

Victor A. Leisner, Pres.
